Weekly Drilling Report Victory 1 Exploration Well

Buru Energy Limited (Buru Energy) provides the following weekly update on drilling operations at the Victory 1 well as at 06:00hrs, 15 October 2015 (AWST).

Since the last progress report, 5-1/2" (140mm) casing has been run and cemented to 1,893 metres. Subsequent to the casing job being completed, and prior to drilling ahead, mechanical issues were encountered with the casing and these are currently being remediated. It is expected this process will take at least another three days. The well will then be drilled ahead in 4-3/4" (121mm) hole into the prognosed primary objectives.

Victory 1 is located in exploration permit EP 457, 185 kms east of Broome and 85 kms southeast of Buru Energy's producing Ungani Oilfield. Equity and contributing interests in the well are as follows:

Company	Equity Interest	Contributing Interest
Buru Energy	37.5%	41.67%
Mitsubishi Corporation	37.5%	41.67%
Rey Resources	25.0%	16.67%

About Buru Energy

Buru Energy Limited (ASX: BRU) is a Western Australian oil and gas exploration and production company headquartered in Perth with an operational office in Broome. The Company's petroleum assets and tenements are located onshore in the Canning Basin in the southwest Kimberley region of Western Australia. Its flagship high quality conventional Ungani oil field project is owned in 50/50 joint venture with Mitsubishi Corporation. As well as Ungani, the Company's portfolio includes potentially world class tight gas resources. The company's goal is to deliver material benefits to its shareholders, the State of Western Australia, the Traditional Owners of the areas in which it operates, and the Kimberley community, by successfully exploring for and developing the petroleum resources of the Canning Basin in an environmentally and culturally sensitive manner.

Competent Persons Statement

Information in this release related to exploration and production results and petroleum resources is based on information compiled by Eric Streitberg who is an employee of Buru Energy Limited. Mr Streitberg is a Fellow of the Australian Institute of Mining and Metallurgy and the Australian Institute of Company Directors, and a member and Certified Petroleum Geologist of the American Association of Petroleum Geologists. He has over 40 years of relevant experience. Mr Streitberg consents to the inclusion of the information in this document.
