Grant of Unlisted Employee Share Options

Buru Energy Limited (“Buru Energy” or “Company”) advises that the Board has approved the grant of unlisted options to full time employees under the Company’s Employee Share Option Plan (“ESOP”). The Remuneration and Nomination Committee of the Board considers that participation in a Long Term Incentive scheme structured around equity based compensation is necessary to attract and retain the highest calibre of professionals to the Company, whilst preserving the Company’s cash reserves. The purpose of the ESOP is to align the interests of employees with shareholders and to reward employees for delivering value to shareholders through share price appreciation.

A total of 5,150,000 unlisted options have been granted to 35 employees. The options have an exercise price of \$0.80 and expire 31 December 2017. No options have been granted to the Executive Chairman or any other Director. The ESOP was last re-approved by shareholders at the Company’s 29 April 2015 AGM. A summary of the terms of the ESOP can be found in the Notice of Meeting for that AGM on the Buru Energy website. The Appendix 3B relating to the issue of the options is attached.
