

Buru Energy Sponsorship Guidelines

Buru Energy is committed to actively supporting the communities where it operates. Buru Energy sponsorships are focussed on contributing to the economic and social development of those communities in a way that is aligned with the Company's business activities.

CRITERIA

All requests for sponsorship will be reviewed and assessed by Buru Energy Limited in its absolute discretion.

In considering a request for sponsorship, Buru Energy will give priority to the following:

- programs that produce a measurable benefit to the communities in which Buru Energy operates;
- the alignment of goals, values and objectives of the relevant organisation applying for sponsorship with those of Buru Energy;
- initiatives that provide local solutions to local challenges and opportunities;
- initiatives that involve participants from the local community;
- the opportunity for Buru Energy and its employees to become involved directly in the relevant initiative or program; and
- programs that promote the development of skills, capability and wellbeing within the communities where we operate.

KEY AREAS OF FOCUS THAT BURU WILL SUPPORT INCLUDE:

- Aboriginal education, sport and training in the Kimberley;
- Programs that assist in improving the health and wellbeing of the Kimberley Communities.

TYPES OF SUPPORT

Buru will consider providing relevant and appropriate support to organisations that meet the above criteria, this may be through:

- Direct sponsorship to a particular organisation;
- Sponsorship of an activity or event;
- Establishing a partnership with a particular organisation;
- Offering "in kind" support ; or
- Providing opportunities for Buru employees to volunteer, from time to time, to assist the relevant program or initiative

It is important to note that we will not provide funding for:

- Activities related to private companies seeking finance for their own business activities
- Proposals benefiting only one individual
- Proposals traditionally funded by Government
- Attendance at conferences and seminars
- Requests from individuals - including those seeking support for academic studies, medical treatment, accommodation etc,
- Funding for membership of organisations
- General fundraising appeals
- Religious activities
- Indirect fundraising activities, for example charity golf days, dinners, magazine advertising
- Activities that involve paying a third party
- Activities requiring ongoing operating funds or create financial dependency on Buru Energy.

FOR HOW LONG IS FUNDING PROVIDED?

Projects are looked at with a view to having the potential for longer term relationships and outcomes. Initial commitments are generally for six months to one year to enable a relationship to develop and for a programme to be assessed. Projects should indicate if the funding requirements for initiative are planned to last more than one year.
