ASX ANNOUNCEMENT (ASX: BRU)

21 August 2012

Update on Drilling Operations - Canning Superbasin

Buru Energy Limited (“**Buru**” or “**Company**”) provides the following update on its Canning Superbasin drilling program.

The recent incident on the Ungani North-1 well has resulted in Buru’s termination of the contract with Century Rig#7, and it is now planned to complete the drilling of Ungani North-1, and to drill the Cyrene-1 well with Ensign Rig#32. The future well order is subject to final agreement with the various joint ventures, weather conditions, and all approvals required. An update on the expected timing of the wells and the drilling order will be provided in due course.

Further information on the Company is available at: www.buruenergy.com
