ASX ANNOUNCEMENT (ASX: BRU) 22 July 2010

WEEKLY DRILLING PROGRESS REPORT LEANDER-1

Buru Energy Limited (“**Buru**” or “**Company**”) provides the following update on drilling operations at the Leander-1 well as at 06:00hrs, 22 July 2010 (AWST). Buru holds a 100% interest in this well.¹

Since the last progress report the Leander-1 well has been drilled from a depth of 666m to a depth of 1,359m.

The well will now be drilled ahead to 1,500m at which point it is planned to run and cement 178mm (7”) casing.

In accordance with its policy of releasing weekly drilling progress reports, the Company expects to issue a further drilling progress report on 29 July 2010, subject to any material events occurring in the meantime.

Further information on the company is available at: www.buruenergy.com
