Dear Fiona

REQUEST FOR TRADING HALT

In accordance with ASX Listing Rule 17.1, Buru Energy Limited ("Buru" or "Company") requests an immediate trading halt of its securities pending the release of an announcement of results obtained from the current wireline logging program at the Ungani-2 well.

The Ungani-2 well is the fourth well in the Buru – Mitsubishi Corporation ("MC") 2011 Joint Exploration Program. Buru and MC each have a 50% working and paying interest in this well and in EP 391.

The trading halt is sought until the earlier of commencement of normal trading on Monday, 12 December 2011 or until Buru releases an announcement to the market regarding the wireline log results from Ungani-2.

Buru is not aware of any reason why the trading halt should not be granted, nor of any other information necessary to inform the market about the trading halt.

Should you have any queries or require any clarification, please contact the Company Secretary on 08 9215 1800.

Yours faithfully

ERIC STREITBERG Executive Director
